

CARIBBEAN JOURNAL OF SCIENCE

Vol. 42

(ISSN 0008-6452)

No. 3, 2006

Editorial: Earthworms as Invasive Species in Latin America — the 2nd Latin American Meeting on Oligochaeta (Earthworm) Ecology and Taxonomy	Grizelle González	281
Review of the Distribution of Exotic Earthworms (Annelida, Oligochaeta) in Argentina and Confirmed Examples of their Introduction	Catalina C. Mischis, and Julio A. D. Herrera	285
Exotic and Native Earthworms in Various Land Use Systems of Central, Southern and Eastern Uruguay	Enzo Grosso, Gabriella Jorge, and George G. Brown	294
Earthworm Communities in Forest and Pastures of the Colombian Andes	Alexander Feijoo Martínez, Heimar Quintero, and Carlos E. Fragoso	301
Comparisons of Earthworm Community Structure between an Active Pasture and an Adjacent Tropical Wet Forest in Puerto Rico Xiaoming Zou, Bárbara Arandes-Pérez, David Capó-Ramos, Jessica Gutiérrez-Santiago, and Mirla Rosario-Santiago	311
Earthworms in Agro-ecosystems of Uruguay	M. S. Zerbino, C. Rodríguez, and N. Altier	315
Preliminary Estimate of Earthworm Abundance and Species Richness in <i>Spathodea campanulata</i> Beauv. Forests in Northern Puerto Rico Ariel E. Lugo, Oscar J. Abelleira, Sonia Borges, Lauren J. Colón, Syndi Meléndez, and Mariela A. Rodríguez	325
Earthworm Diversity in Four Land Use Systems in the Region of Jaguapitã, Paraná State, Brazil Daiane H. Nunes, Amarildo Pasini, Norton Polo Benito, and George G. Brown	331
Exotic, Peregrine, and Invasive Earthworms in Brazil: Diversity, Distribution, and Effects on Soils and Plants George G. Brown, Samuel W. James, Amarildo Pasini, Daiane H. Nunes, Norton P. Benito, Priscila Trigo Martins, and Klaus D. Sautter	339
Presence of Exotic and Native Earthworms in Principal Agro and Natural Systems in Central and Southeastern Tabasco, Mexico Esperanza Huerta, Carlos E. Fragoso, J. Rodríguez-Olan, I. Evia-Castillo, E. Montejo-Meneses, M. De la Cruz-Mondragon, and R. García-Hernández	359
A First Survey of Earthworms of Bosque del Pueblo, Puerto Rico Sonia Borges, Mónica Alfaro, Sandra Maldonado, and Ariel Santiago	366
A Fluorescent Marking and Re-count Technique Using the Invasive Earthworm, <i>Pontoscolex corethrurus</i> (Annelida: Oligochaeta) Grizelle González, Elianid Espinosa, Zhigang Liu, and Xiaoming Zou	371
Differences Between Epigeic Earthworm Populations in Tank Bromeliads from Puerto Rico and Dominica Barbara A. Richardson, Sonia Borges, and Michael J. Richardson	380
The Re-colonization Ability of Native Earthworm, <i>Estherella</i> spp., in Puerto Rican Forests and Pastures Ching-Yu Huang, Grizelle González, and Paul F. Hendrix	386

Earthworm Populations, Microbial Biomass and Coffee Production in Different Experimental Agroforestry Management Systems in Costa Rica	
..... Yaniria Sánchez-de León, Elias De Melo, Gabriela Soto, Jodi Johnson-Maynard, and Javier Lugo-Pérez	397
Effect of <i>Pontoscolex corethrurus</i> Muller, 1857 (Oligochaeta: Glossoscolecidae) Inoculation on Litter Weight Loss and Soil Nitrogen in Mesocosms in the Peruvian Amazon	
..... Sandra C. Tapia-Coral, Flávio J. Luizão, Eleusa Barros, Beto Pashanasi, and Dennis del Castillo	410
Individual Tree Species Effects on Earthworm Biomass in a Tropical Plantation in Panama	
.....Malena Sarlo	419
